

OIL AND GAS MAKE YOUR DAY POSSIBLE

Petroleum, also known as oil and natural gas, isn't just **gas for your car**, **heat for your home** or **electricity for your electronics**. Oil and natural gas are in many common products you use in your daily life. Without it, your life would be very different. Below is a graphic illustrating how oil and gas make your day possible.

CAN YOU GET THROUGH YOUR MORNING WITHOUT ...

Hot water?

Your **cosmetics**?

Your **toothpaste** or your **toothbrush**?

Your **tennis shoes**?

Your **car**, a **bus**, or your **bicycle**?

CAN YOU GET THROUGH YOUR SCHOOL DAY WITHOUT ...
